As we notice more and more trucks with snowplows attached and see the poles in our own community, marking the curbs to support the facilitation of snow removal, we realize that we are in the throes of winter.

On January 8th, as I'm writing this article, we just got over a rain/snow event that mainly left snow on the lawns and cars. Areas north of Long Island got hit harder. Hopefully, future storms will bypass Long Island. Although not much snow has fallen, rain has certainly made up for it. It's always nice to have sunny days even if they are cold.

We celebrate one national holiday in February, Presidents' Day on 2-19. However, there are several other days to note: February 2nd is Groundhog Day. Will Punxsutawney Phil give us a break and call for an early spring? On the 11th, The Super Bowl is played, and February 13th is Mardi Gras. Ash Wednesday, the beginning of Lent is on February 14th this year. Don't forget Valentine's Day also on the 14th.

Stay warm and enjoy the days ahead.

All About...John T. Mather

by Mary J. Collins

If you live in Leisure Glen, you know where Mather Hospital is! However, even though we all know its location, I wonder how many of us know the ‘back story’ of this nearby health facility?

Mather Hospital bears the name of businessman and philanthropist John Titus Mather. Mather was born in Port Jefferson on June 27, 1854, and died in Cuba on March 30, 1928. The descendant of a shipbuilding family, Mather spent most of his active life in that industry. His great grandfather was Captain John Wilsie, who built a sailing vessel in Port Jefferson as early as 1797. This was the beginning of the Mather ship building business. Under the direction of his father, John R. Mather, the business specialized in building large sailing vessels.

John T. Mather had other large businesses related to shipping. During World War I, he disposed of his holdings and retired from active business life. For many years prior to his death, Mather made careful study of how best to use the proceeds of his success to the benefit of those less fortunate. As early as 1916, he had made provisions in his will for setting aside a substantial sum to erect and maintain a non-sectarian charitable hospital – to give people the advantage of the best in hospital facilities at a reasonable cost. Built according to his wishes, John T. Mather Memorial Hospital opened its doors on December 29, 1929, and serves the community to this day.

If you are interested in learning more about John T. Mather and his family, you might consider a visit to The Mather House Museum. Located at 115 Prospect Street, it is a two-story, wood-frame structure with a gambrel roof and clapboard siding was built in 1795 by Captain Thomas Mather. The museum is also the home of the Port Jefferson Historical Society and offers visitors a unique opportunity to step back in time and experience life in the 18th century while learning about the Mather family and their contributions to the ship building industry in Port Jefferson.

For more information about the Mather family and/or the museum itself you can contact the Port Jefferson Historical Society at: 631-473-2665 or info@PortJeffHistorical.org.

BOOK NOTES

by Dorothy Scheuer

THE MEASURE, by Nikki Erlick

One morning in the first part of March, before the equinox, every adult on the planet aged 22 or older wakes up to find a small mahogany-looking box outside their door. The box is six inches wide and three inches deep. It is indestructible. It is inscribed on the lid with your name and the legend, “The measure of your life lies within.”

The next morning, anyone celebrating their 22nd birthday receives their personalized box, and so on.

So begins *The Measure*, by Nikki Erlick (2022, William Morrow), a novel set in pretty-much-where-we-are, tomorrow.

Who sent the boxes? How were they delivered? Receiving his at home after a red-eye flight, Ben recalls some sudden turbulence in the middle of the night. But the jolt was brief, and everyone’s boxes arrive in their own time zone’s morning.

What’s in the boxes? Should they be opened? Once revealed, can whatever is in them ever be unseen?

The first people to open their boxes find a layer of tissue paper covering—a piece of string.

First rumors and then research report that the length of the string tells you how long a life you will be living. Soon, an online calculator is devised to translate the inches on your string into years.

Recipients come to be known by their relative string length. There are long-stringers and short-stringers.

Do you want to know which you are? Do your loved ones want to know? Your employers? Your government? Advertisers?

If you decide—or if you are allowed to decide—whether or not to look at your string, how will it affect your plans? Your opportunities? Whether to run for political office, or who to vote for?

The situation is global, with authoritarian governments taking extreme measures, but the characters whose experiences we see are a group of New Yorkers.

Nina and Maura are two years into a wonderful and promising relationship. Are their strings of similar length?

Amie is Nina’s sister, a teacher. How is she going to help her students process this situation?

Anthony is using the strings as a talking point in his campaign to be the next US president

Jack is Anthony’s nephew, a new graduate of the military academy. Where will new string-based guidelines place his service?

Javier is Jack’s academy roommate. His military career may be tied to Jack’s.

Leisure Glen Women's Guild

It's hard to believe that we are in the second month of 2024! Time is going by much too quickly. February is a busy month with celebrations of President's Day, Valentine's Day and Ground Hog Day!!

On February 20th we will host our monthly Board Meeting at 11:00am. This is not a closed board meeting and you are invited to join us and find out the workings of the Women's Guild. **At 12:30 we will host our February Game Day** in the auditorium. This is a welcome relief from the winter for everyone and we look forward to your participation in this fun afternoon!

Our March Board Meeting is at 11:00am, and once again, all are invited to join us. Our Board Meeting is followed by our **March Game Day on Tuesday, March 19th at 12:30pm**. The 19th also happens to be the first day of Spring!!

Please be sure to mark your calendars for our **April Spring Luncheon on Tuesday, April 30th at 12noon!!** We've moved our event to the end of the month to coincide with the Kentucky Derby! **Yes, our theme for the Spring Luncheon is the Kentucky Derby and Chairperson Debbie Mercurio has amazing surprises planned for the afternoon!** Get your Derby hat out and plan on showing your Derby style on April 30th!! There will be a fabulous **Run for the Roses Horserace** with our handsome Glen men as Jockeys! **Tickets go on sale on Tuesday, April 16th at 9:30am** so be sure to mark your calendar...this is an event you don't want to miss!!

At this time, I would like to pay tribute to longstanding Women's Guild member **Eileen Petrillo**. Eileen passed away on January 2, 2024 after a courageous battle with cancer. Eileen was an invaluable member of the Women's Guild and for many years chaired the Food Drive on the Leisure side of the community. Eileen also chaired our Annual Gift Giving Event and contacted all involved to distribute our donations with efficiency and good will. Eileen did many other events in the Glen as well as outside the Glen. Eileen was an active lady and always did so with her wonderful warm smile! We are thankful for the time we all had with this wonderful woman and know that she is now at peace.

God Bless you always Eileen.
